Security Features and Notes:

This document is a government-issued driver's license template intended for illustrative and administrative purposes. The license number is unique to the holder and must be protected against unauthorized use. The holder must comply with all applicable traffic laws and regulations under Australian law. Any alterations, tampering, or forgery of this license are subject to legal penalties. The license may include holographic or digital security elements in official versions. The license class indicates the types of vehicles the holder is authorized to operate. Restrictions and conditions specify any limitations or requirements applying to the holder's driving privileges. Endorsements note any additional qualifications or permissions granted to the license holder.
